

THE CONTEXT AND NEED FOR OUR WORK	WHAT WE DO TO ADDRESS THIS	PERSONAL, SOCIAL AND EMOTIONAL OUTCOMES	EDUCATIONAL AND WORKPLACE OUTCOMES	THE IMPACT
<p>Children and young people face challenges throughout their education that many struggle to overcome, leading to lower attainment, poor mental and emotional health, and reduced life chances.</p> <p>Young people new to employment do not process the skills they need to perform effectively in a work environment.</p>	<p>We take children and young people out of their usual environment (schools or work) and immerse them in a natural, outdoor environment</p>	<p>Increased awareness of own skills and abilities</p>	<p>Improved engagement and participation in learning / work Improved performance in the classroom / effectiveness or success in learning Improved transition / better prepared for employment Improved health and well-being.</p>	<p><b>POSITIVE IMPACT ON SOCIETY</b></p>
		<p>Improved confidence and self belief in own abilities</p>		
	<p>We expose children and young people to challenge and adversity</p>	<p>Improved ability to listen and communicate with others</p>		
		<p>Improved awareness and concern for the natural environment</p>		
	<p>We promote interaction with others</p>	<p>Increased resilience and determination</p>		
	<p>We create moments of self-discovery and facilitate learning about self, others and the environment.</p>	<p>Increased understanding of the features of effective teams</p>		
		<p>Improved ability to plan, problem solve and review progress as part of a team</p>		
		<p>Increased understanding of leadership styles</p>		
	<p>Increased leadership skills</p>
